

School Improvement/ASSIST Language for those schools participating in the BAISD Early Literacy Grant with 1st grade teachers, interventionists and literacy coaches.

Under the building's Reading Goal -Create an objective specific to this work

Objective: 85% of all students will demonstrate reading proficiency by June 15, 2019 as measured by the state 3rd grade reading assessment.

Strategy 1: 1st grade teacher leaders, Interventionists and Literacy Coach will participate in the BAISD Early Literacy Network

Category: Literacy

Tier: 1

How will the strategy work? How will the strategy be implemented? The BAISD Early Literacy Consultant will collaborate with a network of 1st grade teachers and literacy coaches from across the two counties in a series of activities all based around the MAISA's "K-3 Essential Instructional Practices in Early Literacy"
